6	Career Accelerator Module Test, Case Study, Internal Mock External Mock	Internal Proctored Environment, AC, External Mentor	Pass/Fail	-
		Total Marks	**200**	**100%**

Notes for grading components
1. If any student fails to attend the Daily quiz, or the interim exam, or fails to qualify for any module; he/she will be given only one additional attempt with the explicit permission of the Centre Head.
2. Class participation marks are awarded at the end of every residency.
3. If a student is absent in the final evaluation, he/she will be given additional attempts with the explicit permission of the Centre Head. The re-examination may be conducted along with the next batch.
4. Capstone Project will have independent evaluation components such as presentations and reports.

Qualifying Criteria

To qualify for progress in the program, students need to meet the Module Qualifiers
1. The student needs to score a minimum of 60% in each subject in the Module evaluation (comprising components 1,2, 3 & 4) in order to qualify for the Final Evaluations
2. **The student needs to score a minimum of 60% overall to qualify for the Career Accelerator Module**

To qualify for certification, students need to meet the Certification Criteria
1. The student needs to score a minimum of 60% overall (120 out of 200 marks) in each subject
2. The student needs to have a minimum of 80% attendance during the program

To qualify for placement services, students need to meet the Placement Criteria
1. The student needs to meet the Certification Criteria
2. The student needs to have a minimum of 80% attendance during the career prep sessions
3. The student needs to successfully qualify for the Career Accelerator Module (including the internal and external viva)

Notes for qualifiers
1. The student needs to appear for re-examination within 3 months of the last examination
2. Such students who fail to clear the career accelerator module will have to re-appear for both the internal and external faculty interviews once again
